- Facilities Models
- Plant Design
  
- Other Session Type (Please provide a short description)

**Speaker Profile(s):**

Please provide a brief overview of the presenter, their background and any other speaking engagements they have had.

**Presentation Title:**

Something spiffy goes here, but if you can't think of anything don't worry, our marketing team can help with that.

<http://imagininit.com>

**Presentation Description (75-100words):**

Provide an overview of the issue or topic, your approach to it and lessons learned.

**Presentation Objectives (3-5 objectives)**

What will someone who attends this presentation walk away knowing? (ex. Understand the concepts of setting up Revit for use in Navisworks)

**Software used:**

What packages did you use on this project? Please include all relevant software (you don't need to tell us you used Outlook for email).

**Additional Details on the presentation:**

If you have more information – what someone viewing your presentation will learn, software packages used (if applicable), other partners you'd like involved, etc.
